POST Document Survey 2018

This year, we would like to survey contractors on all of the POST documents in an attempt to continuously improve them and help us identify any errors. It is important that this type of feedback comes from the POST community of contractors.

The survey will be open until July 31, 2018. Your feedback is valuable to us, and to thank you we will be drawing for several gift certificates. All survey feedback is kept confidential and if you choose to enter your name into the draw, your personal information will be used for this purpose only.
